Oral History Consent Form

This form outlines the purpose and agreement in participating in an interview with Autonomous Oral History Group (AOHG).

PURPOSE

Autonomous Oral History Group wishes to construct a platform where individuals or collectives can speak on their own behalf and contextualize knowledge by their own terms. AOHG's collection is not merely conceived as a repository of knowledge; it is also a platform to debate how information is valued.

Conversations may negotiate the relationship between the interviewer and interviewee, if the participants feel as though dynamics need to be addressed.

PROCEDURES

The interview can take place where both parties feel comfortable. This can be the home of the interviewee; an office at AOHG; or while walking outside. Participants' can choose to discuss any aspect of their lives and they may refuse to answer any questions. Interview sessions often have a duration of two hours.

CONDITIONS OF PARTICIPATION FOR INTERVIEWEES

(Please review the following conditions and options with the interviewer. Feel free to ask questions if they appear unclear or you would like further explanation.)

Do not hesitate to stop and take a break or discontinue at any time. You have the ability to ask for the recording to be erased.

____ I agree that recordings of my interview will be stored with the Autonomous Oral History Group for long-term preservation.

____ I agree to the possible reproduction of sound and images of my interview by any method and in any media by researchers of this project. I consent that my interview, or portions of the record, be made available on the internet through web pages and/or on-line databases of the project.
